And the LORD shall guide thee continually,

## From the Pastor's Desk

Greetings dear friends in the name of Jesus our Lord and Saviour! Let's look at the most widely touched upon verses in the book of Psalms. While Psalm 23 is a familiar passage of Scripture, many fail to hear the message within. This passage speaks of a true shepherd who cares for his animals and meets each need. Christ is our shepherd. He meets each of our needs. It wasn't a mistake the animals being cared for were sheep. Sheep, often thought of as meek and dumb, need protection and daily provision. The oil in verse five is used to protect the animal from infections, but also provides safety from the dangers of snakes and flies. God's Word is living water supplied daily. He sees the dangers we fail to notice, yet he provides protection, safety, and rest. He teaches us to trust and to follow him.

I am thankful I have the Shepherd who wants to take care of me. From our recent series of messages from Ps. 23 it should be very much on your mind and I trust that it will bring you great comfort on a daily basis.

In HIS Service,  
Pastor Ken  
Jer. 33:3

Riverside Baptist Church Theme for 2020:

**TO SEE CHRIST AS WE SHOULD**

*Hebrews 2:9*

*But we see Jesus, who was made a little lower than the angels for the suffering of death, crowned with glory and honour; that he by the grace of God should taste death for every man.*

A Christian should live so that instead of being a part of the world's problems he will be a part of the answer.
