From the Pastor's Desk

Greetings dear folks in the name of our Lord and Saviour, Jesus Christ! It is hard to believe that we have almost finished 60% of the year 2020. August is normally the month that parents are excited about the start of school and students are not ready to go back.

This year will be much different than years past, the schools that do start up with in person learning will be different due to Covid 19. Much of 2020 will go down in history as a year that was different. There are still concerns due to Covid 19 as well as social unrest. Our lives are much different today than they were when 2020 started. When 2020 started just a few people were wearing a mask, Charlotte being one of those. Charlotte is still wearing a mask as well as others, But Charlotte is doing much better, for which we are very thankful.

Almost everyone would agree that our lives are very much different today than they were when 2020 started, however when difference comes our way how do we respond? With the different world that we live in today, opportunities to share the Gospel are still available.

How will you respond? Will you do your best with each opportunity to share Christ? I encourage you to do so, you will not be sorry you did.

Thanks for your faithfulness during this different time.

In HIS Service,

Pastor Ken

*I was glad when they said
unto me, "Let us go into the
house of the Lord."*

Psalm 122:1
