From the Pastor's Desk

Greetings dear friends in the name of the highest, our Lord and Saviour, Jesus Christ! November is an exciting month, and this year has brought about much change to the normal things that are usually done in November.

There are some things that we usually do in November that will be done this year, however they may be somewhat different.

Time changes as normal, election day will go on but with some changes and challenges. Thanksgiving will be different for many, but we can be thankful no matter what our situation is. Most of us will still spend time with family at Thanksgiving but this year some families will not get together as normal. But we can still be thankful for our family.

Start making a list of the things you are thankful for and then write down beside the things you are thankful for and how you are thankful for them. Many of the things we are thankful for we do not have an outward expression of how we are thankful.

While we can be thankful in our hearts, we should look for ways to show our gratitude. 102 times in the Old Testament you find the concept of being thankful. 72 times you will find the word thanks used in the Old Testament. Give Thanks with a Grateful Heart, a grateful heart is a loving heart!

In His Service,

Pastor Ken

*Offer unto God thanksgiving; and pay thy
vows unto the most High:*
