From the Pastor's Desk

Easter greetings to you all in the name of our Risen Saviour, Jesus! It is hard to believe that it is that time of year again. I know for many they have looked forward to SPRINGtime and especially this year. With winter in our rear view mirror we will move very quickly past spring and find ourselves into the summer months. But for now, let's enjoy this spring.

We can be thankful for the sunshine, green grass, flowers, just being outside and Easter. We should give all the credit to God almighty. There is much in this world that we don't like, but there are also things around us that we do like. So let us enjoy the things we like and not focus on what we don't like. Again, we should give all the credit to God almighty.

Just over 1 year ago, Covid-19 entered into our lives. It has been a long trying year, difficult, deadly, demanding. But during this past year, God has been good, so we should be thankful and focus on his Goodness.

Let us be thankful that we can celebrate Easter. Easter is not just another holiday, it is a time that we celebrate the death, burial and resurrection of Jesus Christ. Death may not seem like something to celebrate, but since Jesus rose from the dead, he must first die. We can be thankful that he rose from the dead and is coming back again. I remind you, that he died for you and rose from the dead for you.

So be thankful. Being thankful begins with having the right attitude. So go ahead and make up your mind that you are going to be thankful, and give God the credit He deserves.

In HIS Service,
Pastor Ken
Jer. 33:3
