From the Pastor's Desk

Greetings in the name of Jesus, our Lord and Saviour!! The focus for the month of May is usually Mother's Day. We all should thank the Lord for the one who gave birth to us. Each one of us has our own thoughts about our mother and the relationship we had, have, or didn't have. Some will have good memories, some will have bad memories, and some may have no memories, but lets switch sides of the coin: Let's look at how mothers see things.

When a child is born, the mother is grateful for several reasons. One there is relief from giving birth, and two they get to see usually hold a newborn baby. However, the mother also sees this child as they grow up in this world and how cruel this world can be to her child. Mother's experience great joy and great pain throughout the life of that child. One of things that people think about when it comes to a mother, is the love of the mother. A mother's love is important to us in this world. Not to take away from the love of a mother, the love of the heavenly father is amazing. I am thankful for my mother and father, and I am also thankful for the love of my Heavenly Father.

In HIS Service,

Pastor Ken
